

Laundromats Near Camp Bell/Hidden Valley

There are at least two Laundromats not far from camp.

Church Street Laundromat
Church Hill Rd, Belmont, NH 03220
(603) 267-7100

From camp, get down to Route 140 by your preferred route. Turn right (west) on Route 140. Follow forever, until you cross Route 106 (approx. 10.5 miles). Look for Laundromat on the right near next intersection. There is a restaurant next-door to this Laundromat, there is also a dunkin donuts and a gas station with a convenience store within walking distance.

There is another Laundromat near the camp, in the other direction. I don't know the name of this one. From camp, you would get yourself down to Route 140. Turn left onto Route 140, follow it to Rt 11. Turn left onto Rt 11 (Alton Bay Rd). The laundromat is not too far, on the left. Not much parking here, but manageable. Nearby is a small gift/antique store. (This is based on information that is 2 years old.)
